

5 Things to Check Before Buying Any Used Vehicle

Your quick pre-purchase inspection guide

1

Under the Hood

Check oil condition
Look for leaks
Inspect belts & battery

2

Test Drive

Listen to engine
Test transmission
Check steering

3

Inspect Tires

Check tread depth
Look for even wear
Verify tire age

4

Interior Check

Test all electronics
Check seat wear
Verify warning lights

5

Do Your Research

Get vehicle history
Check market value
Review service records

■ PRO TIP

Trust your gut. If something feels off, walk away.
There are always other vehicles.
